www.randolphsgreenhouses.com

Rita Randolph is a second-generation business owner.

*Along with her husband, Hamp McCall,
she runs a 55 year old greenhouse operation.*

*What began as a tree-lined nursery, is now over 10 greenhouses of growing
annuals, perennials, ornamental grasses,
tropical and aquatic plants.*

*Randolph's specializes in custom work, container gardens,
hanging garden baskets, and unusual plant collections
such as variegated and chartreuse leaf colorations.*

*She speaks on a number of topics including
Unusual Plants and Unique Container Combinations.*

*Rita has studied at New York Botanic Garden, was
2003/04 President of The Tennessee Flower Growers Association,
A current board member of The SE Greenhouse Conference,*

*And a member of The Garden Writers Association.
She writes a regular column for The City News of Jackson, TN., and also
has a local TV gardening show!*

**Rita has been featured in 'Greenhouse Grower' writes
for 'GMPro' Magazine, and is an enthusiastic speaker to
such functions as:**

- Perennial Plant Association
- Garden Writers Association
- Mid Atlantic Hardy Plant Soc.
- The Southeast Greenhouse Conference
- The Tidewater Garden Symposium
- Athens GA 'Winter Green School'
- Memphis Bot. Garden & Hort Soc.
- Nashville Lawn & Garden Show
- The Oregon Nursery Association
- Southern Nursery Association
- OFA Association of Floriculture ... and more!
